15 ★ **CYRUS** "Have as many courses as you want, in any order that you want; there are no rules here." With that introduction to Douglas Keane's seriously decadent cooking, you begin to understand why Healdsburg has become such a wine-country destination. Inspired by his stint with Gray Kunz at Lespinasse, Keane pairs lychee gelée with foie gras, sets confit duck on tamarind-flavored daikon, and marinates his lobster with Thai herbs. And while the caviar and Champagne cart may be over-the-top, why not indulge?
